

# Holiday Gifts

By Harding Hill Designs

**My block for our fun quilt-along is called Holiday Gifts.**

**This block has a great scrappy look along with some punch from the contrasting fabrics.**

## For Holiday Gifts you will need

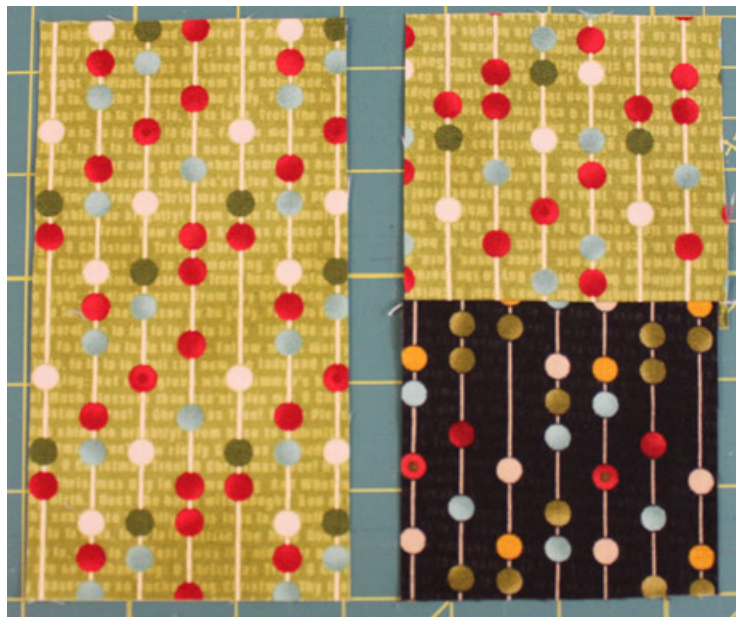

**4 assorted Prints:** From each print cut a 3" x 5-1/2" unit & a 3" x 3" square

**Black Print:** Cut 4, 3" x 3" squares and 1, 2-1/2" x 2-1/2" square

**Red Sashing:** Cut 4, 2-1/2" x 5-1/2" units

## Assembly

1. Begin by sewing a black 3" x 3" square to a 3" x 3" print square.
2. Next, sew the matching 3" x 5-1/2" unit as shown. Repeat steps 1 & 2 with all the prints to complete the 4 corner units.

3. Layout your corner units as shown below, rotating them as needed. Then sew a red sashing strip between the top row and bottom row units. Next, sew the black 2-1/2" x 2-1/2" square between the remaining 2 sashing strips. Press all the seams towards the red sashing strips.

4. Sew the blocks rows together and press. Your block should measure 12-1/2".

## Layouts

Here are a couple of layout variations. I think they all look great, but the on-point layout is my personal favorite. Which layout do you like best?
